(LOS ANGELES, CA) - Open Mind Art Space is pleased to present its **4th Annual Anniversary Exhibition**, in celebration of the gallery's 4-year anniversary. A one-night exhibition and reception will be held on **Saturday, March 7th from 6:00 PM - 10:00 PM**. Small and medium-sized, affordable artworks, prints and objects will be for sale on a first-come-first-serve basis. This year, 10% of sales from art prints and objects will be donated to the non-profit environmental organization, **Natural Resources Defense Council (NRDC)**. As this will be a one-night-only event, the gallery suggests arriving early to view available artworks and claim your favorite pieces before they sell out! **Doors will open at 6:00 PM.**

Each year, Open Mind Art Space maintains a tradition of hosting an Annual Anniversary Exhibition to celebrate its anniversary and honor its artists who contributed to the gallery's programming from 2016 to the present. *Open Mind Art Space looks forward to continuing to showcase contemporary art from a diverse blend of talented emerging artists, and facilitating a curatorial process that allows its artists to create impactful work, while furthering its mission to inspire and challenge the local Los Angeles community by providing a comfortable, engaging space for reflection and dialogue. Open Mind also believes that art can be a powerful way to motivate positive change in people and the world as a whole. To show its support for non-profit organizations that reflect its values, Open Mind has chosen to benefit the NRDC for this year's anniversary exhibition.*
